

Media Statement for Orange Door Campaign

The Children's Aid Foundation of Halton is thrilled to accept this donation from Home Depot Canada Foundation's Orange Door Campaign, in support of our mission to provide life-changing opportunities to children, youth and families supported by the Halton Children's Aid Society. With this contribution, the total funding received since the campaign began 12 years ago, to more than \$350,000.00 it demonstrates the Home Depot Canada Foundation's unwavering commitment to giving back.

We extend our sincerest thanks to Home Depot Canada Foundation and its partnering stores in Burlington and Milton, for their continued support of this campaign. The initiative is a shining example of their dedication to social responsibility and its efforts to make a positive impact on the lives of vulnerable children, youth, and families. The funds raised through the Orange Door campaign go directly to supporting our Bridging the Gap program, an initiative that helps unhoused youth aged 16-24 who are experiencing homelessness, loss and trauma.

We would also like to take this opportunity to thank the associates of Home Depot stores in Burlington and Milton, who work tirelessly to make this all possible. Their dedication to the Orange Door Campaign is a testament to the company's values and its commitment to helping vulnerable youth who face immense challenges.

The Moonlight on Mainway event is a prime example of Home Depot's ongoing support and social responsibility. This event, with the support of Home Depot associates, has raised vital funds, helped raise awareness and generated amazing community support for the Bridging the Gap program and the youth who rely on its outreach services. We are immensely grateful.
