

CAFH Media Statement

Hello everyone! My name is Lisa Janssen, I am the Partnership and Development Manager for the Children's Aid Foundation of Halton. WELCOME!

The Children's Aid Foundation of Halton and the Halton Children's Aid Society's - Bridging the Gap Team - In collaboration with our valued partners at Home Depot Burlington, our are proud to present the first annual Moonlight on Mainway Walk!!!

We' are coming together this evening to raise awareness and spark action!

The motivation behind this event is to draw attention to a critical issue

----- youth homelessness and the program that supports the youth who are struggling -----

Bridging the Gap or BTG.

BTG provides support for youth facing homelessness or who are at risk of becoming homeless.

The Children's Aid Foundation of Halton is the charitable arm of the Halton Children's Aid

Society - we see firsthand the devastating impact that homelessness has on the lives of young people.

It's a reality that no one should have to face, especially during their formative years. That's why we're committed to working together to provide support, resources, and hope for those who need it most.

The Moonlight on Mainway event is more than just a fundraiser – it's a call to action!

It's a reminder that we all have a role to play in supporting vulnerable youth and to help them thrive.

Your contributions will support the Halton Children's Aid Society's efforts to provide essential services and support to youth in need.

To our donors, sponsors, supporters, volunteers, and everyone present this evening --- we extend our heartfelt thanks for your generosity and commitment to this cause

Thank you for participating in the Moonlight on Mainway event!
